

**INVITATION**  
**Antique and Classic Boat Show**  
**Skaneateles, NY**  
**July 29, 30 & 31, 2011**

**Organized by the  
Finger Lakes Chapter,  
ACBS and  
The Skaneateles Area  
Chamber of Commerce  
Foundation**

*To Antique and Classic Boating Enthusiasts Everywhere:*

*The Finger Lakes Chapter invites you to be part of its 33rd Annual Antique and Classic Boat Show in Skaneateles, NY. The Show's setting is along the village pier and in lakeside Clift Park at the north end of 16-mile-long Skaneateles Lake, one of the most beautiful in Central New York's Finger Lakes Region. The show is a judged event with unique awards in several categories following the ACBS Two-track Judging System.*

*Excellent docks can accommodate 44 boats along the village pier, and another 40 boats can be easily located in the adjacent park as land-displays. Its tree-shaded lawns provide a perfect setting for land-displays of all types of watercraft, nautical exhibits and maybe even a classic automobile or two! Between the pier and the park is a convenient walk-in ramp suitable for launch and retrieval of small craft.*

*Two miles down the lake is an excellent state launch (no launch fee) where FLC crews standby to assist with the launch and reloading process. A hallmark of the Skaneateles Boat Show is complimentary valet parking of trailers and tow vehicles so that after launching, exhibitors need only concern themselves with a pleasant boat ride up the lake to the Boat Show venue. Similarly, arrangements can be made for tow-vehicles and trailers to be taken to the launch for reloading of boats after the Boat Show.*

*Skaneateles is a picturesque and historic village founded in 1833. Today, it boasts excellent restaurants, enticing boutiques and shops, and beautifully restored and maintained homes on tree-lined streets. Concerts in the park, children's activities, and narrated riding tours of the village are also part of this festive weekend.*

*All that's needed to complete the picture is your participation! We hope you will plan to make the trip to Skaneateles and enjoy a special weekend with many friends in the antique boating community.*

*Janice Miller*, President, Finger Lakes Chapter, Antique and Classic Boat Society

## Renewed Emphasis on Preservation

As noted above, antique and classic boats will be judged according to the ACBS Two-Track Judging System. Wooden boats being judged in the Preserved category should be high-scoring boats with at least 60% of the original deck and topside wood remaining (bottom not included). Restored boats are those with less. Clearly, judgment must be used to determine in which category a boat should be judged. The judges, using information supplied by the owner and the ACBS Judging Guidelines, will ultimately confirm whether a boat should be judged in the Preserved or Restored category.

## Marque Club Awards

Realizing the desirability of having as many exhibitors as possible recognized for their efforts to prepare their boats for the Finger Lakes Chapter's Boat Show, Marque Club Awards will be awarded to outstanding examples of Century, Chris-Craft, Gar Wood, Hacker Craft and Lyman boats as determined by the judges.

## Commercial Transactions and "For Sale" Signs

A local ordinance prohibits commercial (for profit) transactions in Clift Park. Any such transactions must be conducted away from the park area. The use of "For Sale" signs on boats, motors or displays in the Boat Show area is similarly prohibited. However, a bulletin board will be available at the Registration Tent where items for sale may be posted.

## Friday Evening Barbecue

Friday night's fare will be a typical southern barbecue consisting of barbecued chicken and pork, grilled sausage, salt potatoes, corn on the cob, coleslaw, rolls and dessert. It will be available from 6:00 to 7:30pm in the banquet tent on the west lawn of the Sherwood Inn directly across the street from the Boat Show Site. Additional tickets can be purchased at the door if needed. A cash bar will open at 5:00pm.

## Friday Evening Concert in the Park

The gazebo in Clift Park will be the site of a free band concert on Friday evening by the Skaneateles Community Band at 7:30pm. Bring lawn chairs for a relaxing summer evening of music in the Park.

## Saturday Evening Banquet and Awards Presentations

A cash bar with steamed clams (available during cocktail hour) will open at 5:30pm, and an elegant buffet dinner featuring prime rib and chicken picatta will be available at 7:00pm in the banquet tent on the west lawn of the Sherwood Inn. Exhibitors, their guests, Boat Show sponsors, local dignitaries and Finger Lakes Chapter members will be in attendance. The buffet will include a number of vegetarian dishes, but please advise of any special dietary needs. Boat Show Awards will be presented following dinner.

## Sunday Morning Breakfast Buffet

A traditional breakfast buffet with omelet stations will be available from 8:00 to 10:30am in the banquet tent on the west lawn of the Sherwood Inn. Coffee for early birds will be available at 7:30am. This is a relaxing place to review a wonderful weekend with family and friends, to talk about what is happening in the antique boating community, and to make plans for next year.

## Sunday Morning Photo-Shoot & Spectator Cruise:

Capture that perfect action shot of your favorite boat from a spot so close you can read her name as she flies past! Or just enjoy the spectacle. Board the tour boat **Judge Ben Wiles** at 9:00 am on Sunday morning for a one-hour cruise for photographers and spectators. The **Judge** will leave from the Mid-Lakes dock in Clift Park and make a slow tour of the north end of Skaneateles Lake while exhibitors' boats are invited to make random passes close abeam for action photo opportunities with various backgrounds. The fare is \$10 for adults and \$5 for children under 13 accompanied by an adult. No reservations are necessary and you can pay onboard. Coffee and pastries will be available. Mid-Lakes requires a minimum of 20 passengers to sail.

## Boat Histories/Stories and Registration and Reservation Forms

The Registration and Reservation Forms are located on pages 5 & 6 of this Invitation and should be filled in directly from the computer keyboard before downloading as hardcopies for signatures on page 5. If you would like to have the history/story of your boat considered for publication in the Boat Show Program, it must be received by May 15<sup>th</sup> accompanied by your check and completed Registration and Reservation Forms. Otherwise, Registration and Reservation Forms should be returned not later than July 18<sup>th</sup>. Boat histories/stories returned by the later date, will be used in announcements over the park's public address system throughout the weekend. **Entries received after July 18<sup>th</sup> will be welcomed on a space-available basis but probably will not be eligible for judging due to lack of preparation time required by the judges.** Adjustments to number of meal reservations (increases and refunds) can be accommodated up to one full week before the start of the Boat Show.

## Confirmation Letters

Shortly after receipt of completed Registration and Reservation Forms, confirmation letters will be returned to registrants. Each letter will include detailed information on directions to Skaneateles and the launch ramp, available launch assistance and valet parking, security, reloading assistance, etc.
