22 Jordan St., P.O. Box 199, Skaneateles, NY 315-685-0552

Dear Skaneateles-Area Businesses, Residents and Friends:

We are delighted to present the 31st annual edition of the phone directory! We are a rare and unique community that still has an active phone book in 2023. Many of our residents treasure our phone book and the comforts of being able to look up a phone number the “good old-fashioned way.” While the phone book is primarily used for looking up personal or business phone numbers, it also contains area maps and historical tidbits. This year’s cover photography is by John Francis McCarthy.

We are grateful for the support of our advertisers and encourage you to use the yellow pages to “buy local.” Many thanks to Lindsey Babbles, who oversaw the phone book project, and to those who assisted her: Lucinda Abbott-Smith, Hilary Fenner, GERALYN Huba, Lori Milne, Nancy Murray, and Joan Thomsen.

Additional copies of the phone book can be picked up at the Chamber office, 22 Jordan St., Monday through Friday from 10 a.m. to 4 p.m., and weekends from 12 p.m. to 4 p.m. during July, August, and December. The Chamber office is also where you can buy gift certificates, good for all Chamber-member businesses.

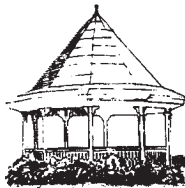

Enjoy this convenient resource and visit our website, skaneateles.com, for more information on area businesses, upcoming events, and “hot deals.”

And, if there are ways, we can make this directory more useful to you, please let us know—we’d love to hear from you.

Sincerely,

Nancy Ranieri

Chamber Board President

Skaneateles Area Chamber of Commerce Mission Statement

Skaneateles is a uniquely charming place to live, work, and grow. The Skaneateles Area Chamber of Commerce, comprising 400 businesses and individuals, works to promote the prosperity of its members, cultivate growth and economic development, and preserve the quality of life for the entire community.

With this in mind, the Skaneateles Area Chamber of Commerce will promote a comprehensive, quality economic climate with planned growth for the continued success of its membership and the community.

Please note: This book was not published through Verizon, Spectrum, or any other phone company. The Phone Book Committee has included most numbers of general interest and emergency use. If you need other numbers that are not included, please consult the general phone books, and enter those numbers on the Frequently Called Numbers page.

This book was published by the Skaneateles Area Chamber of Commerce, Inc. for use within the community. The committee and publishers have made every attempt to be accurate. The liability, if any, for errors or deviations in advertisements or omissions shall not exceed the charge for the unit involved.

Curbstone Festival. Photo by Sandi Mulconry

DID YOU KNOW?

- ☛ 1954 saw the beginning of a new fad in Skaneateles...Microd racing (short for microscopic hot rods), a build-it-yourself project for kids 8-13 years, constructed from lumber, plywood, pulleys and lawn mower engines. Cars zoomed around a dirt track in Austin Park where the Allyn Arena is now, going up to 25 mph and attracting crowds of hundreds of people. More clubs around the area were formed and Look Magazine did a spread in their May 1, 1956 issue. The NYS Fair got into the act and built a track in 1955 where the Syracuse Microd Club still races. The Skaneateles club lasted 11 seasons and closed in 1965.
- ☛ Theater had a place in Skaneateles history from early days of Legg Hall and later Library Hall productions and in the 1930s a full summer season at the old Odd Fellows Hall on State St., but perhaps the most famous was the Lyric Circus, where Broadway musicals took place in a large red and blue tent on Rte. 20 East, near the Finger Lakes Golf driving range a mile out of town. It lasted about 10 years until Hurricane Audrey demolished the tent in 1957. They struggled along for a couple of years and sadly closed in 1960.
- ☛ Legg Hall had a history of fun itineraries after its early days as a carriage factory, with a large meeting hall on the 2nd floor that held dances in its Grand Ballroom, performances, skating parties, lectures, Skaneateles High School basketball games, silent movies, which led to "talkies" and in 1940 it became the Colonial Theater with an ornate marquis. Those days are long gone and now the building contains 12 condominiums along with retail space.
- ☛ The Skaneateles Country Club, completed in 1917, started life as a golf, swimming and tennis club. Sailing wasn't added until the Skaneateles Sailing Club joined in the 1930s.
- ☛ There used to be tennis courts behind the Syracuse water supply gatehouse next to the Sherwood Inn, as well as on the south side of the Skaneateles Country Club, where the parking lot is now located.
- ☛ The first fairways at the Skaneateles Country Club were so full of dandelions that it was hard to distinguish the ball from the round white heads of the dandelions. Greens had so many night crawlers leaving their casts that the ball bumped along as if in a pin-ball machine. Mowing was accomplished with a horse-drawn mower, and the horse wore padded hoofs to keep from leaving his prints on the course.
- ☛ There were so many mushrooms on the first golf course in Skaneateles, that it became the fashion to carry a golf bag in one hand and a mushroom basket in the other.
- ☛ Early initiation fees at the Skaneateles Country Club ran from \$40 to \$80.

DID YOU KNOW...

Carpenter's Falls once had a whiskey still at the brink of the falls. The barrels were carried down the "Jug Path" to the New Hope Steamboat Landing for transportation to Skaneateles. Local folks also came by boat and climbed up the mile long path to fill their jugs, thus giving Carpenter's Falls its name.

ENJOY THE GREAT OUTDOORS!

Visit the Skaneateles Conservation Area on Old Seneca Turnpike past the Transfer Station.

DID YOU KNOW...

One well known story about Carpenter's Falls occurred when the government began imposing heavy taxes in the 1870's, and whiskey manufacturing became more undercover. When the revenue agent showed up, Mr. Carpenter diverted him by showing him some beautiful trout in a watering trough by the creek, while his employee opened a trap door and the whiskey casks went over the falls and down the gorge.

DID YOU KNOW...

New Hope Mills, built in 1823, produces pure flours, corn meal and pancake mixes unsullied by chemicals and additives, but not without a fight! The government ordered the mill to stop selling unenriched bread flours and corn meal in 1975, but demand for chemical-free flours was so great that hundreds of letters and petitions poured in and the point was won. By 2002 the historic, picturesque, red building in New Hope with the massive iron waterwheel and covered bridge was preserved, but the business relocated to a new production facility on York Street in Auburn that now carries a vast array of products and has added an impressive breakfast and lunch cafe. The flours and pancake mixes are also available in stores everywhere and even on Amazon.

DID YOU KNOW...

Frozen Ocean is the highest spot in the Town of Niles, at 1620 feet above sea level. On a clear day Skaneateles, Owasco, and Cayuga Lakes are visible. It is said that it got its name from some observant person who stood at the top of the old quarry on Quarry Road, looked down on the hills of Moravia, which were covered with low-lying clouds resembling frozen waves with snowy caps, and felt that he was on an island in a frozen ocean.

DID YOU KNOW...

In bygone days around CNY, stagecoach racing provided plenty of daily excitement. The only means of transportation between towns if you didn't own a horse, or feel like walking, was a 2200-pound stage with no brakes pulled by four powerful horses. The drivers entered a competition to bring the mail and passengers through in record time. Reports of hair breadth escapes and wild rides down Central New York's hills were common.

FENNELL STREET, SKANEATELES

DID YOU KNOW...

Stagecoach driving was a popular line of work in the early 1800's. Great skill was required to manage the reins of four horses, the whip and a stage with as many as 11 passengers plus luggage, while descending the hills at breakneck speeds, sometimes in darkness or storms. At the same time, it was the tradition for the driver to blow a tin horn announcing the stage's arrival in the village, and alerting the drivers at the stables to make ready their horses for a change. This led to tin horn competitions, and the hills reverberated with the music of the horns.

DID YOU KNOW...

Isaac Sherwood built the original Sherwood Inn around 1800. He and a partner formed a stagecoach company in 1809, The Old Mail Line, that snared the contract for carrying the mails between Utica and Canandaigua. He also owned or had an interest in all the stages between New York, Albany & Buffalo and many other points in the state. By 1815, 15 stages stopped in Skaneateles daily, and Sherwood was earning \$60,000 a year from the mail contract, plus passenger fares.

DID YOU KNOW...

Sherwood did not have competition for his stagecoach line until 1828 when the "Pioneer Line" was formed. However, it was short lived, as the drivers were inexperienced, drove the horses too fast, with not enough care at the stables, giving rise to such a monstrous relay of horses that it finally broke down the opposition line, and Sherwood retained the mail contract, and his monopoly.

DID YOU KNOW...

When famous personages such as Governor Seward, General Scott, Martin Van Buren and Chief Black Hawk came through to Skaneateles on the Old Mail Line, the stagecoach drivers tried to give them the ride of their life, which was referred to as an "extra ride".

DID YOU KNOW...

The first automobiles in Skaneateles went up on blocks for the winter, and transportation reverted to the railroad and the trolley, both of which often became mired in snow.

Join us as we celebrate the 30th Annual Dickens Christmas in Skaneateles. The event begins with Bright Friday on November 24th and continues each weekend day from 12-4 pm and concludes on Christmas Eve at 2:30 pm. Each day of Dickens Christmas will include music, theater, shopping, and dining. It's the perfect way to get into the Holiday Spirit!

Celebrate your true color.
